

# WE NEED YOUR HELP

Join us for the start of our brand new Parish Parents Support Group!

January 10th 2025 - 2-3pm

♥ OUR MISSION:

We are hoping that by gathering together, we will become a strong network who can provide support to each other to navigate difficulties at home with any struggles families may be facing, such as: challenging behaviour, additional needs or mental health.

Join us for coffee, tea, cake and biscuits whilst we talk all things tricky together!

We look forward to seeing you there.
