

Spalding Parish Church of England Day School

27th February 2025

Dear Parent / Carer

Year 5 Design Technology Term 4: Designing and Making Pizza

During Term 4, the children will be designing and making pizza linked to our Geography question 'What makes Europe wonderful?' This will firstly involve researching different European food before trying different shop bought pizzas. They will then be planning and making their own pizza, using a variety of optional ingredients.

The ingredients available are:

 Pizza dough (flour, salt, yeast, oil)	 Tomato sauce	 Cheese (original and vegan)
 Ham	 Ground beef	 Pineapple
 Mushrooms	 Pepperoni	 Onion
 Basil	 Mixed pepper	 Oregano
	 Olives	

Although you have already informed us when your child started school of any allergies they may have, please can you confirm again, on the attached slip, so that we have the most up to date information of any dietary requirements that may affect your child's opportunity to sample the food tasting.

As part of this Design and Technology unit, children will be exploring the authenticity and history of pizza, as well as using their collaboration skills to research and identify the ingredients needed to make dough rise. They will then have a fantastic 'hands on' learning opportunity to design, make and evaluate a pizza of their own. If you have any questions or concerns regarding this activity then please do not hesitate to speak with one of us using the Y5@spaldingparish.laatsch.uk email or by speaking to us at the start or end of the school day.

Thank you for your continued support.

Becca Wakefield, Maddie Arnold and Maya Jina
