

Spalding Parish Church of England Day School

Wholly inclusive, striving for fulfilment, empowering the flourishing of our world

27th September 2024

Dear Parent / Carer,

**Year 1 Science Animal Interaction
Monday 14th October 2024**

We have arranged for Captivating Creatures to visit Year 1 on Monday 14th October. The children have been learning to group and classify animals in our science lessons, and this animal encounter will support in our abilities to classify and group animals that we might not always experience in everyday life such as bearded dragons, chameleons, snakes, tortoises, stick insects and tarantulas. The children will attend an interactive encounter in the classroom where they will be given the chance to hold each animal.

The cost of this visit will be £3.37 per child. Please make the payment using ParentPay and then return the slip below to your child's class teacher by Monday 7th October.

We look forward to an exciting morning with Captivating Creatures.

Kind regards,

Jasmin Turner and Paige Bacchus
